The best day of the week

My favorite day of the week is Wednesday. I know that most people like the weekend, but my favorite day is Wednesday. On Wednesdays I finish school early, at noon, and then I have a Chinese class. I love to study Chinese and I have a three-hour class on Wednesdays. Then in the evening I usually eat pizza and watch a movie with my girlfriend.

Danilo

I don't work anymore, so the days of the week are all the same for me! I worked for many years in an office and my favorite day was always Friday. Because it was the last day in the office! But now I think my favorite day is Sunday because my grandchildren visit me.

Dolores

It has to be Saturday! I go to school all week and I have to study very hard. But on Saturday I meet my friends and we go to the mall to shop. Or, we listen to music and play video games. Also, I can make more calls on the weekend with my phone plan. So, I chat all day with my friends.

Lucia

I work in an office and on Friday at 5 p.m. I am happy! We finish work and I play soccer with some of my coworkers. Sometimes we go to watch a band after the game. So, for me, Friday is the best day of the week.
