

UNIT 10 QUIZ B

I'm happy that so many of my colleagues and the workers of our company are here for our five-day annual summer conference, staying in this hotel. For the next three days, we're going to work hard, but I think that you're going to enjoy staying in this lovely hotel.

So, let me tell you about our five days together. This morning you can relax and spend some time in the hotel before we start the conference. Your rooms are all on the fourth floor and you can get your room keys from the front desk. At 1:00 p.m. we're going to have lunch in the hotel restaurant, and I think we can eat outside because the weather is nice today.

After lunch, we're going to have a meeting to think of new ideas, and find answers to problems for the company. So, please come with some good ideas! This evening, I'm going to take you out to dinner to a local Brazilian restaurant. It's my favorite restaurant in this town! After dinner, you can walk around the old city, which has some wonderful old buildings. You can go dancing or you can go back to the hotel to relax. Let's meet here at 7:00 p.m. because we're going to take a walk near the beach before we go to the restaurant.

Tomorrow morning, why don't we meet after breakfast at 9:00 a.m. in room 382. Room 382 is on the third floor, and breakfast is in the restaurant on the first floor. I think the restaurant opens for breakfast at about 6:30 a.m.
