

## UNIT 11 QUIZ A

Aki: ... And this is a photo of the dress that I'm thinking of buying.

Sophie: It's beautiful. I love the color. I love orange and I think the mix of orange and green on this dress is wonderful!

Aki: Thanks. I really like the dress and I'm going to buy it on Saturday.

Sophie: Good idea. Hey, can I look at your other photos on your cell phone? You've got hundreds here!

Aki: Ha ha! Sure.

Sophie: Where was this photo taken?

Aki: That was in California. It was last summer and I was on the beach. It was a wonderful day.

Sophie: Was Mike with you?

Aki: Let me think ... no, he wasn't there. He was at his grandparents' house that day. I remember now. I was with Carolina and we weren't on the beach for very long. Mike was away all day and he wasn't back in the hotel until the evening.

Sophie: So, who was that person with you?

Aki: That was a woman staying at the hotel.

Sophie: And this photo. Where is this place?

Aki: That was our old apartment. Don't you remember?

Sophie: Maybe ... but were the walls that color? Were they green?

Aki: Yes, they were green in our room and in the other bedroom. But in the living room the walls were yellow.

Sophie: Yellow!

Aki: Yes, yellow was my favorite color. Then I think that after that, the walls were orange for about two years!
