

## UNIT 12 QUIZ A

Olivia: Hey, Thiago.

Thiago: Oh, hi, Olivia. Did you go to the company dinner last night? I didn't see you there.

Olivia: Yes, I did. But I arrived late. I arrived about 8 o'clock.

Thiago: But the dinner started at 7:30! Why did you arrive so late?

Olivia: I wanted to arrive at 7:15 but the bus was late.

Thiago: The buses are always late in this town. I never take the bus, I always drive places. Did you like the meal?

Olivia: No, I didn't! It was awful! Did you like it?

Thiago: Well, it was OK. It wasn't wonderful, but company meals for seventy people are never good meals.

Olivia: That's true. What did you have?

Thiago: I wanted the tomato soup but there wasn't any. So, I had vegetable soup and fish and green beans.

Olivia: And ... how was your food?

Thiago: I liked the soup but the fish and the green beans were cold.

Olivia: Yuck! I wanted the fish but they didn't have any when I arrived. I was very hungry and I needed to eat, so I had the pizza.

Thiago: I saw the pizza, but I didn't try it. Was it good?

Olivia: It was awful! Silvana had the lamb and I tried it. It was great.

Thiago: Did you have dessert?

Olivia: Yes, of course. I needed dessert because I didn't eat the pizza. I had the chocolate cake and ice cream.

Thiago: I had the chocolate cake too. I loved it. It was great. So, were you hungry after the dinner?

Olivia: Yes!! I ate some crackers and cheese when I got home because I was so hungry!
