

UNIT 12 QUIZ B

- Server: Good evening and welcome to the Harbor restaurant. Are you ready to order or do you need some more time?
- Cindy: I think we're ready. Can I have some water, please?
- Min-Jun: And I'd like a soda, please.
- Server: Of course. And what would you like to eat?
- Cindy: I'd like the fish and rice, please. And, do you have any green beans?
- Server: Yes, of course. Fish, rice and green beans. And you, Sir. What would you like?
- Min-Jun: Last time I ate here I had lamb and I remember it was very good. But I don't see lamb on the menu.
- Server: The lamb is always very good but today we don't have any. We usually have lamb on the menu on the weekend. I'm sorry. Would you like a steak? It's also very good.
- Min-Jun: Fine. I'd like a steak with potatoes and green beans.
- Server: Would you like any bread with the meal?
- Cindy: Yes, please.
- Server: Thank you.
- Cindy: Did you read the desserts on the menu?
- Min-Jun: No, I didn't. Why? What was there?
- Cindy: There was chocolate cake and coconut ice cream.
- Min-Jun: Wow! I know you love coconut.
- Cindy: I do! I'm going to have that later.
