

UNIT 5 QUIZ A

Gabriela: Hi Santi. How are you today?

Santi: I'm fine, thanks. And you?

Gabriela: I'm fine.

Santi: Are you sure? You sound tired.

Gabriela: Actually I am tired – very tired. I don't want to go to work. I just want to sleep for like 10 hours.

Santi: Why are you so tired?

Gabriela: I don't know. I'm always busy and I never have time to rest or to watch TV.

Santi: Do you get up very early, or do you go to bed very late?

Gabriella: I usually get up at 6:00 a.m., but today I got up at 5:30 a.m.

Santi: That is very early! Do you go to bed late?

Gabriella: No, I don't. I hardly ever go out with friends and I always go to bed between 10:30 and 11 o'clock. I never watch TV or use the computer before I go to bed.

Santi: That's a good idea. I love video games and I often play video games on my laptop at night. I usually go to bed before midnight, but sometimes I go to bed after midnight.

Gabriella: And are you very tired in the morning?

Santi: No, not really because I run every morning. I run before I come to work and I feel great! On Tuesdays, I play soccer with Javier and Lucas after work. Do you want to go running with me? Or maybe play soccer with us?

Gabriela: Running? Soccer? I'm definitely too tired for that!
