

UNIT 5 QUIZ B

Hello everybody! Welcome to the Summer Camp at Green Meadows. It's great to meet you all. This year, we have ten different nationalities at our summer camp!

First, I need to check your personal information. Marina has a list of your names, so please look at the list and check your name and your address. Then write your email address and your cell phone number and sign the list. She has your room numbers and the keys for your rooms.

The apartments all have two bedrooms, a bathroom with a shower, a small kitchen and a living room. They don't have TVs, but they do have Wi-Fi. The password for the Wi-Fi is on the refrigerator in the kitchen.

From Monday to Friday, breakfast is from 7:00 to 9:00 a.m. On the weekend, it's from 8:00 to 9:30 in the morning. You have tea or coffee and cookies at 10:30 a.m., and lunch is at 1:30 p.m.

Every morning, you have an English class with Marco from 11:00 am to 1:00 pm. The classes are great! In the afternoon students have some free time. They often play soccer or play basketball. There is a TV room and a computer room that you can use. In the evenings, the students sometimes watch movies in the TV room, or they play computer games and send emails in the computer room.

If you listen to music after 10:00 p.m., please use earphones. And, please don't use your cell phones in class. Do you have any questions?
