

UNIT 7 TEST A

Heather: Hey Frank! How's it going?

Frank: Good, thanks. But I'm on vacation with my family right now.

Heather: Oh, no! Sorry! But I'm not calling to talk to you about work.

Frank: No problem. How are you doing?

Heather: OK. I'm in the office right now.

Frank: You said you *weren't* calling to talk about work.

Heather: I'm not. I'm actually playing video games right now. I finished my work about an hour ago. So how's your vacation going?

Frank: Great. I'm staying in a beautiful hotel with Angelica and the children, and we're having a lovely time. We're staying at the Adelfi Hotel.

Heather: Oh wow! Where's the Adelfi Hotel? Is it the hotel near the big park?

Frank: No, it isn't. The Adelfi Hotel is the hotel near the beach.

Heather: Ah, OK. What are the kids doing now? Are they with you?

Frank: No. They're playing on the beach. They love the ocean and the beach, and they ~~are~~ having a lot of fun.

Heather: And what are you doing?

Frank: I'm just listening to music and relaxing.

Heather: Sounds nice. Anyway, I just called to say "Hi." Have a great holiday and see you next week in the office. Bye.

Frank: Bye Heather.
