

EVOLVE LEVEL 2, Audioscript for Unit 7 Quiz A

Miranda: Hey Daniel. How are you?

Daniel: Hi Miranda. I'm fine. Very busy though. And you?

Miranda: I'm fine. Hey I wanted to talk to you because some of us are planning to go away for a long weekend next month. Would you like to come?

Daniel: You know I'd like to go away, but I just don't have any time right now. I started writing an article every month for the food magazine at college. You know, the 'Good Eats' magazine.

Miranda: Ah, yes I remember now. I always forget to read that magazine but a lot of people say it's very good. So, what are you writing about?

Daniel: Well, for next month's magazine I'm going to write about food festivals. So I'm looking at this list and I'm trying to decide which ones to visit. Here, look... Which one do you think?

Miranda: What about this one, Portland Dining Month? It says that it's a chance to eat some cheap meals at Portland's most expensive restaurants. Students often don't have much money so this would be a great article for us!

Daniel: Yes, but look. This is in March. I can go there in March but I need something for January.

Miranda: OK, well, don't forget to write it in March! Here's one in January... The Mochitsuki Japanese food festival in Portland. Isn't that just raw fish?

Daniel: Some raw fish but lots of other things. Japanese food is amazing. Great idea

Miranda, I have a plan! I'm going to write about the delicious Japanese food festival in Portland.
