

EVOLVE LEVEL 2, Audioscript for Unit 12 Quiz A

Rebecca: Have you ever travelled to another country, Jessica?

Jessica: Yes, I have. Last year Scott and I got married and we went to Sri Lanka on vacation.

Rebecca: Oh, wow! That sounds amazing. What was Sri Lanka like?

Jessica: We loved it. Sri Lanka's a beautiful island.

Rebecca: How big is it?

Jessica: It's about the same size as the state of West Virginia. We went on a two-week trip around the island and we saw so many things.

Rebecca: What did you do?

Jessica: Well, we flew to Colombo and we stayed for four days in Colombo. We visited the stores and the cafés. It was amazing.

Rebecca: And what did you like the most?

Jessica: It's difficult to say because we did so much. After Colombo we went to Adam's Peak which is a very tall mountain. And we went to a national park to see the animals. We took a lot of buses and a lot of trains around the island.

Rebecca: So, you traveled a lot. Were you tired?

Jessica: No, because at the end of the vacation we stayed at a beautiful hotel on the beach. I think Scott liked the beach more than the other parts of the vacation! He loves to swim and we just relaxed on the beach and swam

every day there. It's a really cool beach because it's between the cliffs and the ocean.

Rebecca: It sounds perfect. Did you like the food?

Jessica: Yes, we ate a lot of rice and curry. The food is very spicy because they cook with a lot of chilies. It was delicious.

Rebecca: It sounds lovely. And what was the weather like?

Jessica: Well, we went in July and it was very hot. Some days it rained because it was the rainy season, but most days it was boiling hot. I had to wear a sunhat all the time.

Rebecca: I can imagine.
