

EVOLVE LEVEL 2, Audioscript for Unit 2 Quiz A

Bill: Hi Maria! How's it going?

Maria: Hi Bill. It's good. How about you?

Bill: Yeah, everything is ok except for my Wi-Fi. The computer never connects and I can't listen to my favorite music. It's a sad day.

Maria: Why don't you go over to the library with your computer? They have free Wi-Fi and it's really fast. I always go there when I work. There are big tables and comfortable chairs. The windows are big with a lot of bright light. It's great. When you want to take a break, they have every newspaper and some great books too. The best thing is the absolute silence.

Bill: Seriously?

Maria: Yeah, and there are no phones ringing every five minutes. At work it's terrible.

Bill: Well, I usually go down to the Pip Café and have something to drink at the same time. The coffee there is delicious.

Maria: Well, that's ok but I think that their Wi-Fi connection is so slow. Plus that café is right next to the busy main road, so there is always a lot of noise from outside! But I suppose if you walk there, it is good for your health.

Bill: Yeah. Do you want to come with me?

Maria: No way! I prefer peace and quiet. It's the library or nothing. Let's go there. See you there at five?

Bill: Perfect! See you there. Hey, and thanks for your help Maria!
