

EVOLVE LEVEL 2, Audioscript for Unit 4 Quiz B

Boss: Hey Tony! What are you doing right now?

Tony: I'm here in the theater. The actors usually arrive at about 2 o'clock.

Boss: Ok, but what are you doing?

Tony: So, I'm cleaning the theater and backstage. It's horrible here – very dirty and dusty. I don't like doing the housework at home, but it's not bad here.

Boss: Seriously? I can't believe it. You are so good at doing the housework, Tony.
Hey, when you finish, can you help the band get ready, too?

Tony: But I finish at 2.30 and later I'm going to my son's basketball game at school.

Boss: You can use my car. Drive fast and you can get there to see him. No problem!

Tony: Seriously? OK. Thanks!

Boss: Before you go, please come to my office. I have something for you.

Tony: Ok. Sure! Ma'am? I'm taking your car now and going to watch my son's basketball match. See you tomorrow!

Boss: Wait! I have something for you. Here are two tickets for the big basketball game next weekend. You and your son aren't doing anything special, are you? I can't go because I'm visiting my sister in New York.

Tony: No, we aren't doing anything special. That's fantastic! Thank you!
