

EVOLVE LEVEL 2, Audioscript for Unit 8 Quiz B

Presenter: Hello and welcome. Today we are talking about going to live in another country. If you have any questions, please call in. OK, we have our first caller. Magdalena are you there?

Magdalena: Yes. Hi there. I'm Chilean and I live in the United States now. I moved here six months ago and I'm finding it very difficult.

Presenter: I'm sorry to hear that. What do you find difficult, Magdalena?

Magdalena: Well, I work in a hospital. I'm a nurse. So I work very hard, but I don't meet people. I don't really have any friends and I don't know how to make friends.

Presenter: Magdalena, we have another caller on the line, who has some advice for you. Hello Luis.

Luis: Magdalena, I lived in another country for three months last year and I can understand how you feel. Why don't you join a club? If you like sports, you could join a sports club. I play soccer and when I joined a soccer club I made a lot of friends quickly.

Presenter: Thanks Luis. What do you think, Magdalena?

Magdalena: I don't really like sports...

Luis: I lived in an apartment with other people and I made friends that way. You should get an apartment with other people your age who live there.

Magdalena: That's a great idea. Thank you very much.

Presenter: Well, good luck Magdalena, and thanks Luis for your advice.
