Top of the Park Hotel **Customer reviews**

My boyfriend Walter and I stayed at the *Top of the Park* for two nights last week. We both work at a call center and have very busy schedules. We loved the *Top of The Park*, and we had a nice room on the 4th floor. I'd recommend the breakfast which is delicious. There was cereal, yogurt, fruit, boiled eggs, fried eggs, even avocado on toast. It really was very good. My only complaint is that it isn't downtown. You have to take a subway, which takes about 20 minutes to the center of the city.

Tatiana

We wanted to stay in a quiet hotel. My friend Nastia has had health problems recently so I wanted a quiet hotel to relax. *Top of the Park* was perfect for us. The rooms were nice and big and Nastia had a view over a beautiful park with some lovely fountains. We went downtown one day and it was an easy trip because the subway is near the hotel, and the staff gave us information and guidebooks. It was freezing weather at the time, but the hotel was nice and warm.

Vika

My wife and I stayed at the *Top of the Park* for a romantic weekend. We've been married for twenty years and I wanted to take her to a nice hotel to celebrate. I booked online, but I called the hotel before we arrived to tell them that it was a special day for us. When we arrived at our room, we had a bouquet of flowers and candy in our room! I think we'll be going back to this hotel again for our next anniversary.

Paul

- 1 We didn't want a hotel in the center of the city. _____
- 2 The hotel staff gave us some gifts. _____
- 3 The hotel staff helped us plan our visit to the city. _____
- 4 Next time we're going to stay in a hotel in the center of the city. _____
- 5 The food in the hotel restaurant is very good. _____

What do you like about your job?

People often ask me what my job is like and I always tell them that it's the best job I've ever had! I'm a tour guide and I take tourists on tours of my city. I spend hours walking around the city, but I don't mind because it's great exercise. I think I walk for about four hours every day, so it's better exercise than doing sports and cheaper than a gym! I started this job last year and I've never had a day off sick. My last job was at a call center, and the hours were shorter because I finished earlier every day. But I am happier in my new job because I meet interesting people.

Han

I'm one of the receptionists in a hotel downtown. This is my first job and I haven't worked here for long. I finished college in July and started here three weeks later. I start work at 7 a.m., so I have to get up early because I have to catch two buses. But I don't mind taking the bus because I have time to check my social media. On the days that I miss the bus, my dad drives me.

Some of my friends are looking for jobs and they ask me about my job. I always say the same thing, that some days are more interesting than others, but I work with great people. The people I work with are really cool. Most of them are young like me, and I'm the youngest. My mom says that it doesn't matter if the job is boring, the most important thing is the people I work with.
