

EVOLVE LEVEL 2, Audioscript for Unit 6 Quiz A

Presenter: Thanks for coming to the Desert Island Discs studio today Tomaso. It's great to have you here today all the way from your home in London.

Tomaso: Thanks for inviting me Sue!

Presenter: Let me introduce you to the listeners. You are originally from Mexico but live in England, here in London now. You aren't famous because you are a pop star, but because you say you have a list of 10,000 things you are going to do next year, and you put this list on all the social media. Can you tell us a little about one or two of those things on your list?

Tomaso: Well, yes. I'm famous because I tweet and post pictures about all the things I intend to do. Do you know what the next one is, Sue?

Presenter: No –tell me!

Tomaso: So, next Wednesday morning, I'm going to climb to the top of the Empire State building in New York.

Presenter: Seriously? That's awesome! Are you a climber?

Tomaso: No, but I'm going to do a course tomorrow, so I should be ready by next week.

Presenter: So is the climbing course at the top of your list?

Tomaso: Yup. And do you know what the third thing on my list is? It's the thing I'm most famous for...

Presenter: No. I can't imagine! Tell me!

Tomaso: Well, it's very special. I'm going to go across the Sahara desert... across the Sahara desert wearing NO shoes next December. People think I'm kind of crazy, but I am definitely going to do it!

Presenter: Ok, Tomaso, but HOW are you going to do that? It sounds impossible! The sand gets very hot, you know.

Tomaso: So, I'm going to take a big tent, three camels and lots of water. Then I'm not going to walk during the day. That would be crazy. No, I'm going to walk at night when it's nice and cool.

Presenter: Well, that sounds seriously awesome. We will be really interested in hearing all about it.

Tomaso: Well, you won't hear it from me – I don't tell anybody about what I do or what I did. I only say what I'm going to do.

Presenter: Ok, thanks very much Tomaso. Hope to see you here again soon. I'm going to interview another famous person now. Do you want to stay and listen?
