

EVOLVE LEVEL 2, Audioscript for Unit 7 Quiz B

Server: Hi, are you ready to order?

Teresa: Yes, I think we are. It all looks delicious.

Server: It is. OK, ready?

Teresa: I'll have the tomato soup to start with and then I'll have the salmon. Is the salmon fresh?

Server: Yes, it is, and it comes with a lemon sauce. Would you like French fries or rice with that?

Teresa: Oh, just a minute. I can't have the salmon if it has a sauce. I'm allergic to dairy products.

Alan: Why don't you just have grilled salmon?

Teresa: No, I think I'll have the lamb. Yes, I'll have roast lamb with some boiled potatoes.

Server: OK. The lamb takes a little longer to cook. You may have to wait about 15 minutes. Is that OK?

Teresa: That's fine. I don't mind waiting. Can I have a salad too? I'll have the one that comes with lettuce and avocado, please.

Server: Perfect. What would you like?

Alan: I'll have the chicken satay to start. That is the chicken with a peanut sauce, isn't it?

Server: That's correct.

Alan: Great. And I'll have the Chicken Panang for my main course.

Server: That's the chicken curry with chili and coconut sauce.

Alan: Oh no, I didn't mean that. I can't stand coconut. Let me think... I'll have the Pad Thai.

Server: OK. Would you like noodles with the chicken?

Alana: Yes, please and can I have some extra chili sauce?

Server: Sure. Coming right up.
