

EVOLVE LEVEL 2, Audioscript for Unit 8 Quiz A

April: Hi Jerod. Brian told me that you are going on a trip to Europe.

Jerod: Hi April. Yes, that's true. I'm leaving next week. It's so exciting.

April: I knew you had plans to go, but I didn't know it was so soon. How long are you going for?

Jerod: I'm going for six months.

April: Six months! That's a long time. Are you going with anybody? Do you have plans for the trip? This is such a surprise that you are going next week. I have so many questions!

Jerod: I'm going alone... I'm not traveling with anyone. I have a few plans. My mom bought me a backpack the other day. Oh, and she bought me a guidebook of Europe, so I read it and I made a plan for the first month. I have some cousins that live in Amsterdam, so I'm going to visit them for a week.

April: Are you going to Amsterdam first?

Jerod: No. I have to change flights in Turkey, in Istanbul, and so I decided to stay there for a few days. I have a map of the city and so I'm going to look around.

April: How about taking a tour bus around the city? My uncle went to work in Istanbul once, and he said that there are some amazing buildings there.

Jerod: Yes, in the guide book it says that there are some very old buildings. I'm going to take my camera of course...
