

### EVOLVE LEVEL 3, audioscript for Unit Quiz 5B

- Roberta: Today on *Strange Things that Happen*, we're talking about strange things that have happened to you. First up is Kevin. Kevin, tell us your story.
- Kevin: Hi, Roberta. Well ... I was traveling by train to Chicago when I met a woman. We were talking for a while when suddenly she said her last name was Gerrick. That was amazing. My name is Gerrick, too! We were just arriving at the station when we discovered that we're family. She's my cousin.
- Roberta: Wow! That's very cool. Thanks, Kevin. Now, Beatriz, how about you? What strange things have happened to you?
- Beatriz: Hi! I was looking after my friend's cat when she disappeared. I was so stressed and worried! I was looking for her for days, and, suddenly, she appeared. She was hiding in an old grocery bag! I never figured out why she decided to hide.
- Roberta: I'm happy you found her, Beatriz. Let's talk to Megan next. Megan, how about you?
- Megan: Well, you won't believe this, but, while I was studying in college, I got an email from a friend. My friend wanted me to join him in Costa Rica for a few days. I didn't have a lot of money, but I said yes because I was about to graduate and I didn't have to study anymore. So, I was flying to Costa Rica when the airline offered me a job! I still work for them. It was crazy.
- Roberta: That's awesome, Megan. Do you enjoy traveling?
- Megan: I do now!
