

Unit Quiz 5B

- Mom: There you are! You were supposed to be back an hour ago. Where have you been?
- Nancy: Oh Mom, I'm so sorry. I hadn't realized how late it was.
- Mom: Well it's nearly 7 o'clock. You were going to help me prepare dinner, remember? Our guests are arriving at 8, and I still have so much to do.
- Nancy: OK, don't worry, Mom. I'm here now. What should I do? Have you made the soup?
- Mom: No! You were supposed to make the soup. I thought you were going to buy the tomatoes for the gazpacho.
- Nancy: Ah, yes, of course. I have them here in the bag. I had forgotten I bought them!
- Mom: Ok, well if you can make the soup, I'll start on the fish pie.
- Nancy: I'm sorry, Mom. I didn't mean to mess up our plans for the evening. But we've still got enough time. It will be OK.
- Mom: I hope so. This was supposed to be a special evening for Martin, to celebrate his exam results.
- Nancy: I didn't know. Did he pass? I thought that he had failed his final exam.
- Mom: He did fail it the first time and he had to re-take it. Then he got an email the day before yesterday to say that he'd passed! Anyway, enough about Martin. Where were you? Why are you so late?
- Nancy: Well, Maria was going to give me a ride from work, but her car broke down this morning, so we had to catch the bus. Then there was a lot of traffic and we got held up in the center of town. I was going to call you but you know what Maria is like. She just split up with her boyfriend, and so she wanted to tell me the whole story. I'm not making this up, Mom. It's a true story!
- Mom: Yes, I believe you! OK, on with the gazpacho, please. I still have to finish this pie.
