

Unit Quiz 8A

Simon: Have you decided what you're going to have? I think I'm going to order the mushroom risotto. It's always good here.

Marissa: It is, but I had rice yesterday. Laura cooked this fantastic paella because her family was in town. I think I'll have the salmon.

Simon: Good choice. So, how are you? It's great that we finally got together. You always seem so busy.

Marissa: I'm sorry it's been hard to make a date. But I've had such a busy schedule recently that making time for a social life has been really difficult. I wish I had more time to do things like this, but you know what it's like during May and June. It's all about sales and it's so stressful.

Simon: Yes, I remember! The stress at this time of the year was what finally convinced me to leave.

Marissa: I wish I had chosen to do this part-time. I think if I had more me time, I'd be so much happier.

Simon: Well, if I were you, I'd think about doing that for next year. I love working freelance and I'm much happier than I was when I worked at McGallan. Obviously, it's not perfect, but nothing ever is. I wish I had more security and a better salary. But I can choose the jobs I do and take on projects that I think are challenging. Oh, and I don't have to answer to a boss. That's something I do not miss!

Marissa: I can imagine! We all miss you though at McGallan. It's not the same not having you around to chat with at lunchtimes. We did have some fun. Do you remember Ivan from accounting?

Simon: I do. Oh, here comes the server.
