## Information Exchange – General Purpose Template

Find a partner to work with. Write a different number from between 1 and 100 in each small square in both 'Me' grids. Your partner will do the same on their sheet. Ask your partner which numbers they have written in their grids and write them in the correct places on the 'My Partner' grids. Use prepositional phrases like: 'in the bottom left square on Grid 1' or 'in the top right corner square on Grid 2' to describe the position of each number.

Note: you could use the grid to repeat the exercise with different vocabulary groups instead of numbers. For example, letters of the alphabet, types of food, clothes, adjectives, and so on ...
